Dear Neighbor,

Throughout the year, Old Tappan Social Services works diligently to assess the social, health, welfare, and recreational needs of our residents in Old Tappan and assists in a confidential, supportive, and professional manner during difficult times. With the help of our residents, organizations, and businesses, we worked to maintain our residents' quality of life and personal dignity during times of unexpected hardship.

Below are some highlights of how we help:

- Provide approximately 80 bags of groceries a month to families and individuals
- Deliver an average of 40 nutritional meals each month to seniors and the disabled
- Deliver an average of 20 boxes of fresh produce each month during summer and fall
- Help pay rent, taxes, or utility bills when funds are not available
- Help when food stamps, disability benefits and unemployment benefits are not enough
- Provide lunch at the Friday Flix Library Senior program
- Host annual International Senior Lunch & Learn

We understand the last few years have been financially challenging for everyone, however, the need for our funding is essential. All our programs depend solely on our community contributions. Won't you please consider making a monetary donation? Your donation is tax deductible and can be dropped off or mailed to Borough Hall. The Local Assistance Board greatly appreciates your support as we work together to help our neighbors experiencing difficult times.

The Local Assistance Board
