Dear friends & neighbors,

Today, as a community, we join the nation as we grieve over the lost lives of the children and teachers from Uvalde, Texas whose lives were taken over a senseless killing by a deranged individual. Words cannot express the suffering that the families, friends, and surviving children are experiencing both at this time and will do so throughout their entire lives.

While much has already been done to ensure that our local schools are safe and secure, I have asked our chief of police to review protocols and have our officers redouble their efforts in protecting our children and loved ones.

Pray for the families of those who have suffered a terrible loss. Pray for the survivors. Pray for the community of Uvalde. Hug your children and tell them you love them.

With much sadness,

John M. Kramer
