Recycling Challenge at CDW!

Help CDW Win Another Plastic Film Challenge!

What can be recycled?

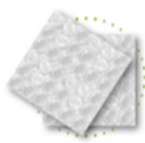

All plastic must be clean, dry and free of food residue.

Grocery bags

Bread bags

Bubble wrap

Dry cleaning bags

Newspaper sleeves

Ice bags

Plastic shipping envelopes

Ziploc & other reclosable food storage bags

Cereal bags

Case overwrap

Salt bags

Pallet wrap & stretch film

Wood pellet bags

Produce bags

We are competing against schools our size nationwide.

Drop off your plastic in CDW's outside containers!

How It Works:

We are collecting plastic film in the three containers outside of CDW.

Once a month, from October through April, our CDW students will retrieve the collection bags, weigh the contents, and track our collections.

Our custodians will bring our recycling to the collection center.

In April, we will find out how our school ranked in the collection of recyclable plastic film. If we collect the most in our school size category, we could win ANOTHER Trex bench for our outdoor classroom!
