

Old Tappan Memorial Bench Donation Program

*Your donation adds to the beauty and enjoyment of our local parks.
Celebrate someone special with a customized plaque in their honor.*

The Borough of Old Tappan is pleased to offer our Park Bench Donation Program in remembrance of a loved one or to honor someone's special achievement. Your bench will enhance the aesthetic value of our community for all to enjoy while preserving the legacy of a family member or friend. It will also provide an opportunity for our park visitors to better enjoy their experience.

You may request the placement of a bench in either Oakes Park or Stone Point Park and the location within the park. However, the final location of the bench within the park will be determined by the DPW based upon specific conditions and the number of benches already present on the site.

The Mayor & Council reserve the right to approve the content of the message on the plaque, including the right to approve and reject names that are considered illegal, inappropriate, or inconsistent with the mission of the Borough.

The Borough will not be responsible for the replacement of the bench or plaque in the event of loss due to vandalism or natural acts. However, you may choose to replace the same bench and/or same plaque at your expense. The Borough reserves the right to remove the bench if it is damaged or defaced and the right to relocate the bench if necessary for safety, environmental or land management reasons.

Installation will be scheduled at a time and date as determined by the DPW so as not to unnecessarily interfere with routine park maintenance activities.
