An Overview

The Details

- We scrutinize your bills for errors and fraud and make sure your bills are paid on-time and correctly.
- We ensure that amounts paid are customary and reasonable. If there is an issue, your account manager will contact you however you prefer: phone, email or text.
- You will be provided with a secure portal with login information, so that if you wish, you may see all your bills. However, you do not have to use a computer at all. You may choose to get a monthly statement along with copies of all your bills in the mail.
- Payments are authorized from your existing checking account. You do not need to make any changes to your current bank account.
- In the case of paper bills, you may have them mailed to us. and we will take care of those as well.
- We save you time and aggravation for a reasonable monthly fee.
- No computer use is required. You can deal with us entirely over the phone. Bills can be sent to us by mail, email, fax or text.

Commitment

- We will take exceptional care of you so that you and your loved ones will be relieved from the burdensome job of bill management.
- You will have a dedicated, specially trained account manager who will be your one point of contact and will be available to provide you with support.
- No overseas call centers.
- We will never sell your data to third parties.

No Risk

- Cancel at any time with no-risk. If you cancel, we will work with you ensure that you will begin receiving all your bills instead of us. We will destroy all of your personal information pursuant to legal guidelines.
- We are fully insured.

Security

- Your security is our highest priority.
- We safeguard your accounts and personal information by using 256-Bit encryption and state of the art firewalls. This means that we employ the level of security that is utilized by the largest and most sophisticated financial institutions in the United States
