

Celebrate America's 250th Birthday with Us!

This year marks the 250th birthday of the United States, and we are sew ready to celebrate! Join us in honoring this historic milestone by helping create a patriotic community quilt.

Design a 12" x 12" quilt block (*fabric only—no paper*) that showcases what you love most about America. Whether it's your favorite places, inspiring people, cherished memories, a nod to our nation's history, or even our hometown of Old Tappan, let your creativity shine and capture it in your block.

No sewing skills? No problem! Your block can be embroidered sewn, glued, or creatively crafted using any fabrics, materials, and decorations you like.

The final quilt will be displayed at Town Day on October 3rd.

All blocks should be dropped off at the Old Tappan Borough Hall at 227 Old Tappan Road by Thursday, July 2nd. Please make sure your submission includes the form at the bottom.

If you have any questions, please contact Karen Goddard at klgoddard@optonline.net or 201-960-0214.

Let's stitch together something truly special!
