Dear Neighbor,

During the year, Old Tappan Social Services works diligently to assess the social, health, welfare, and recreational needs of our residents in Old Tappan and assists in a confidential, supportive and professional manner during difficult times. This past year, throughout the Covid-19 Pandemic, Social Services was especially needed to help our community and seniors more than ever. With the help of our residents, organizations, and businesses, we work to maintain our residents' quality of life and personal dignity during times of unexpected hardship.

Below are some highlights of how we help:

- Provide approximately 80 bags of groceries a month to families and individuals
- Deliver an average of 30 meals each month to seniors and the disabled
- Deliver groceries and prescriptions throughout the pandemic
- Deliver an average of 20 boxes of fresh produce each month during summer and fall
- Help pay rent, taxes, or utility bills when funds are not available
- Help when food stamps, disability benefits and unemployment benefits are not enough

Please help us support our mission:

"To help our neighbors maintain their quality of life during times of unexpected hardship."

We understand last year was challenging for everyone financially, however the need was exceptional. Please consider making a financial donation. Your donation is tax deductible and can be dropped off or mailed to Borough Hall.

Thank you so very much for your support,
The Local Assistance Board
